

# WELCOME!

It's been a busy summer at Heritage. The Lower School buildings are looking spectacular with new paint, flooring, and updating. You'll find new parking near the SLC...and new carpool and parking guidelines to follow. The addition to the Upper School building is awaiting full classes. And the faculty and staff are ready to welcome the students to a new school year! *We're looking forward to a great school year!*

Here are some important dates for the opening of school.
